

## INDEPENDENT ARTISTS

Investigation and development of choreographic proposals residency, aimed to artists and groups with more than 2 premières and in process of developing projects in the field of contemporary dance and living arts.

### THE CENTRE OFFERS

- Studio at La Faktoria for the development of the activity.
- Financial support of 4.000 € (taxes included). This amount may change in relation of the stay of the project.
- Access to common areas, lounge and dining room (microwave/freezer).
- Accommodation: flat with 3 bedrooms and 2 bathrooms (10 min from La Faktoria).
- Artistic accompaniment and production consultancy.
- Contacts with networks (theatres, cultural centres, art centres...).

### OBLIGATIONS OF THE ARTIST

- Public presentation of the proposal at the end of the residency.
- Possibility of generating moments to open up the process, share materials and establish a dialogue with other professionals.
- Record a video describing the experience at the centre.
- You will provide photos of your project to the Faktoria for the dissemination of the residency programme and the centre. Once the residency is over, you will send photos and a text about the process.

- Participation in other contexts and projects organised by the centre and its collaborators that are considered to enrich the project.
- The logo of La Faktoria will be added as co-producer in all communication of the project/work created in this residency.

## **DOCUMENTATION TO SUBMIT**

- A single PDF (4 pages max.) with the following content: Project description, working methodology, timeline, objectives, a video with material from the creation so far (rehearsals, opening of the process, etc.), complementary graphic materials, artist's/group's biography, as well as collaborators.
- It will positively valued those proposals that stay the whole period. If the proposal's duration is shorter, the financial envelope will be reduced proportionally.

The selection criteria are: originality of the proposal, the artist's/group's background, project feasibility and adaptation to La Faktoria.

These program of residences have received Innova Cultural 2019, 2020, 2021 and 2022 support from Fundación Caja Navarra and La Caixa.
